## Brazilian Wax

**Blueberry - 90 gm / 400 gm**  
Stripless peel off wax

**White Chocolate - 90 gm / 400 gm**  
Stripless peel off wax

**Richup** professional white chocolate Brazilian wax is strip-less peel off wax that effortlessly removes hair from face, body, bikini line, upper lip & underarms. Enriched with the goodness of shea butter that does not dry out the skin. The unique formulation for this strip-less wax is enriched with shea Butter to nourish, moisturize and tone the skin. The thin application allows for a much quicker drying time in comparison to conventional 'Hard' waxes while allowing for a much more comfortable waxing experience ideal for sensitive areas, with little to no irritation.

## Hydrosoluble Wax

### **Alvis Easy, Cleans & Clear Waxing Experience**

Alvis Hydrosoluble wax apply in a thin layer of wax onto the treated area in the direction of hair growth. Apply strip over the wax and press firmly, hold the skin firm and remove strip in one. Quick motion in the opposite direction of hair growth, parallel to the skin. Repeat procedure at the next section. Do not apply wax on the same section more than twice. After complete wax section use Alvis aloe vera waxing gel for best result.
