

About Us

Bio Beauty Limited is a London (United Kingdom) based company having its registered office at Dalton House, 60 Windsor Avenue, London SW19 2RR.

Bio Beauty Limited has collaborated with India based Zee Laboratories Ltd. and its subsidiaries for manufacturing, sales and distribution tie up for Indian market. Zee Laboratories Group manufactures markets and exports a wide variety of Derma Care, Cosmeceuticals, Cosmetics, Herbal Cosmetics, Neutraceutical, Pharmaceutical formulations, through its national & international distribution set up. The tie up decision was made in order to step-change the presence and distribution of the world's emerging cosmetics range in India. This will result in better focus and direct communication, boosting the growth. For more information on Zee Laboratories, please visit www.zeelab.co.

ZEE, an idea concieved and realised in the year 1993 by our mentor Mr. Rajeev Mukul, with the mission to be the leading company in its field of activity, service to achieve excellence and global expansion through quality measures. From its humble beginnings in 1993 Zee has grown to touch the lives of billions of people everyday. Under the leadership of Mr. Rajeev Mukul, Zee started its first manufacturing unit in Karnal city near to National Capital of Delhi. ZEE's second, third and fourth pharmaceuticals manufacturing units became operational in the year 2005 and 2010 all in the Northern India, equipped with State - Of - The - Art Technology, certified with WHO-GMP, and is at par to USFDA & European GMP Standards. The Zee Laboratories group also has two State-Of-The-Art Packaging units in Paonta Sahib and Roorkee. These packaging units were acquired by Zee to bring down the cost and increase the quality standards of it's products.
